MR. MILLER'S SPRING GARDEN

Mr. Miller starts his garden early every spring. First, he looks for the seeds he wants to grow. Next, he turns the soil with his shovel. He smooths the soil with a rake. After this, he plants the seeds. Finally, he waters the seeds and waits for them to grow.

Please number the events in the correct order. The first one has been done for you.

- ___ Mr. Miller smooths the soil.
- 1 Mr. Miller looks for the seeds.
- ___ Mr. Miller plants the seeds.
- ___ Mr. Miller waters the seeds.
- ___ Mr. Miller turns the soil.

Draw a picture of Mr. Miller working in his garden.
